

THE WEAKENDERS

Weakenders At Kenney Grove (or the greening or the clan)

The Weakenders St. Patrick's Day weekend was Co-hosted by Vicki and George Stigile and Margaret and George Brownley. We arrived to decorations galore to get us in the spirit. On Friday all the campers arrived before dark. The beautiful weather of Friday allowed for the only campfire of the weekend. Saturday was a horse of a different color (green) rain rolled in during the afternoon. The group met at 2:00 PM in the quonset hut for business and happy hour. (See below for meeting notes). Thanks to our wagon masters as they did a wonderful job with the excellent food and contests of skill including: Golf, Clothespins in the bottle and basket toss. Everyone scored a St. Patrick's Day prize. The Weakenders REALLY got into the Irish dress code and went all the way to look strangely Irish. George II wore his leprechaun beard and Pres. Lynne had to try it on as well! Thanks to all for showing your Irish roots! Our group this month included Mike & Mary, George & Margaret, Dave & Lynne, Bill & Diane, Vicki & George, Paul & Amy, Roger & Marilyn, Ron & Sandy, Ron & Jean, Ben & Helene plus Del & Sue joined as guests for the weekend. Dinner was of course Corned Beef and Cabbage and it was great! Thanks to George & Margaret, they worked very hard all day Saturday to make this event a huge success. The Ice Cream dessert bar was yummy! Unfortunately the sky opened up on us just as we were going to dinner but it could not dampen our spirits! We did have one mishap. Amy and Paul were locked out of their trailer due to a broken latch and all the guys worked for about 45 minutes to break into it with a minimum of damage (in the pouring rain). This is why it's great to have good friends to help out. Sunday breakfast was great and we enjoyed warm sunny weather. Nice to see our ailing members return to the group! Hope to see you all very soon.

Meeting Minutes The president reminded wagon masters to include event times and directions on flyers. Many RV parks charge a fee if cancelations are made within 45 day of scheduled campout. Cancelation fees are the responsibility of the family unable to attend. If the park charges for the canceled reservation no refunds will be made. The treasury is down to \$1000 and Dave still has deposits to make on future campouts. Lynne asked that Weakenders pay for camping trips at least 3 months in advance.
