

THE WEAKENDERS

Weakenders November Campout

The Weakenders last campout for 2011 at Flying Flags November 11-13, 2011 was a great success! It was better than expected weather for our last Weakenders outing of 2011, rainy Friday night and warm during the day. On Saturday, at 3:00 PM the club had our last meeting and elections. See below for meeting notes. After snacking we had our elections and discussed the camping schedule for 2011. Later we met at 6:00 PM in the clubhouse for the Solvang meatball dinner. Thanks to our wagonmasters Chelley and Ted for the Solvang feast. Our group this month included Sam & Angie, Ben & Helene, George & Margaret, Ron & Iris, Ron & Sandy, Dave & Lynne, Marilyn & Roger, Bill & Diane, Vicki & George, Dal & Sue, Tom & Karen and Chelley & Ted. We closed up the room and retired to our rigs or to enjoy George's campfire. (Thanks George!) On Sunday breakfast was a great way to end the weekend. Later in the morning all but a few packed up to hit the road.

Meeting Minutes

The November meeting of the Weakenders RV Club was called to order at 3:15 pm, Saturday, Nov. 12, 2011.

President, Lynne Hugo, asked for a treasurer's report and David Hugo reported the balance of our bank account and how he had saved the club bank fees by making various transfers to keep a certain balance.

Lynne opened the floor for new club officers. George Stigile and Sam Martinez were nominated for President and George received a unanimous vote. Lynne Hugo was nominated for Vice President and the vote was unanimous. Ron Schwartz took treasurer by a unanimous vote and Iris Schwartz accepted the position of Secretary.

The membership was asked for recommendations for new campout locations for April, May and June. Lake Piru, Lone Pine, Temecula and Lake Casitas were suggestions but no decisions were made.

Lynne announced that she and David were to be Wagonmasters for January and the meeting ended at 3:48 pm.
