## Weakenders At Far West

The Weakenders Valentine Weekend was Co-hosted by Iris & Ron Schwartz and Angie & Sam Martinez. Our thanks to them as they did a wonderful job and Got'er Done despite the damp weather. Chilly and rainy Friday and Saturday nights and cool rainy days were the rule. On Friday night the group arrived and visited in each other's rigs. On Saturday the weather started out great, but by happy hour things changed for the worse and the Weakenders met at 3:00 PM under canopies and umbrellas for snacks in a downpour. Our group this month included Mike & Mary, George & Margaret, Ron & Iris, Dave & Lynne, Bill & Diane, Vicki & George, Paul & Amy, Angie & Sam, Tom & Karen, Sue & Dal, Ted & Chelley, Ben & Helene. Dinner was a romance theme in observance of Valentine's day. After dinner we had the meeting (See below for meeting notes). After the meeting we played personal bingo and learned more about the people in our group. Unfortunately this month rains put a damper on Geroge's nighttime fires. As usual Sunday Breakfast was great. The nice weather and a snowy mountaintop view made for a great atmosphere. Hope to see you all again very soon.

## Meeting Minutes

There were discussions regarding upcoming campout sites for 2011 & 2012. There have been recent changes so please check your email for dates and venues. It is becoming increasingly important to pay for your campouts as soon as possible because large deposits are required by the venues in order to secure the necessary reservations for upcoming events. Please step forward to be a wagonmaster at one of the upcoming campouts. Margaret Brownley will soon be sending information regarding the Reagan library tour & luncheon in April. Please send payments for this event to Margaret. There was discussion regarding having a campout at Pechanga and Malibu RV in 2012, more to follow. Please also decide on your attendance at the Refugio campout in June as we need to cancel part of the sites if we do not have enough attendees.
