

# THE WEAKENDERS

## Weakenders Visit Pismo Beach

The Weakenders ventured up to Pismo Beach this weekend and for most it was a long beach weekend! A few of the Weakenders arrived Thursday and everyone was in camp by Friday night. Most everyone went out to dinner Friday night choosing either Seafood or Mexican fare. The weather was refreshingly cool all weekend and we had a campfire on both Friday and Saturday! We were surprised Friday night when the sprinkler system doused us all just as we sat down at the camp fire. We were on our own Saturday morning and the group met at 3:00 PM for business and happy hour. After the meeting, the ladies (with Paul & Tom) made artistic centerpieces for the dinner in the Group room. Our group this month included Dave & Lynne, Ben & Helene, Sam & Angie, Roger & Marilyn, Margaret & George, Paul & Amy, Tom & Karen and Ron & Iris. Dinner was a "Fishy" affair with Tom & Karen at the grill. More fun followed as we enjoyed the evening fire. Ben & Paul played guitars and the ladies sang the high notes. Thanks George B. for being fireman. As usual Sunday breakfast was great. We hated to go home as we knew that the weather was only going to be hotter at home! The Brownleys had a tire mishap on the way home and waited hours for AAA assistance.

Hope to see everyone next month at where else... Pismo Beach again! Ben & Helene will wagonmaster.

### Meeting Minutes

Madame Pres called the meeting to order at 3:50. Elections will be in November. Nominations until then. A new Treasurer is needed. Madame Pres listed those duties. Dave will assist next treasurer as needed. If no new treasurer is elected, the club will be dissolved. We hope someone will step up to save the club. Until this issue is resolved, no new campout/campground reservations will be made. Currently, campout reservations are made through March, 2012. The Treasurer's report was given. Next Campout is back at Pismo Sands, 9/16 - 9/18/11. Meeting Adjourned at 4:15.
